

Are YOU Getting YOUR Internet Leads?

“ **LeadStreet is a great money maker!** And it's free! Since January of 2004 through the end of 2009, I have made over \$260,000 just from utilizing the Saved Search tool on LeadStreet for my clients. By setting up a customized search for each client who logs into my Web site, they are able to receive consistent email updates with new properties that meet their requirements. This feature has led directly to closed transactions.

Unlike other companies, **the leads I receive from RE/MAX have no fee.** The site will shoot me a lead and it goes directly to my PDA and I can accept it anytime and anywhere.

REMAX.COM and REMAX-NJ.COM filters in leads down to Associates so you are essentially benefiting from a multi-million dollar marketing campaign that promotes these sites regionally and nationally. **It all starts with accepting your free leads!** ”
